The Letters of St. Augustine: Annotated Edition including more than 1500 Notes

St. Augustine

The Letters of St. Augustine: Annotated Edition including more than 1500 Notes St. Augustine
The importance of the letters of eminent men, as illustrations of their life, character, and times, is too well understood to need remark. This is especially true of the Letters of Augustin. A large number of them are ecclesiastical and theological, and would in our day have appeared as pamphlets, or would have been delivered as lectures. There are none of his writings which do not receive some supplementary light from his letters. The subjects of his more elaborate writings are here handled in an easier manner, and their sources, motives, and origin are disclosed. This edition contains his complete letters as well as more than 1500 illustrating endnotes.
