This omnibus edition includes the first THREE books of the best-selling Tom Dugan series, over 1200 pages of pulse-pounding action and excitement readers call a cross between vintage Clancy, Cussler, and Ludlum.

MEET TOM DUGAN

A globe-trotting marine consultant and very part-time CIA asset, Dugan never really considered himself a spook. His deal with the Company was just to take a few pictures in Chinese shipyards now and again, or to provide discreet courier service in the course of his regular business travel.

Then the Company needed a scapegoat, and it all went terribly wrong.

Deadly Straits (Book 1)

Falsely implicated in a hijacking, Dugan's offered a chance to clear himself by helping the CIA snare their real prey, his best friend, London ship owner Alex Kairouz. Reluctantly, Dugan agrees to go undercover in Alex's company, despite doubts about his friend's guilt. Once undercover, Dugan's steadfast refusal to accept Alex's guilt puts him at odds not only with his CIA superiors, but also with a beautiful British agent with whom he's romantically involved.

Deadly Straits is a non-stop thrill ride, from London streets, to the dry docks of Singapore, to the decks of the tankers that feed the world's thirst for oil, with stops along the way in Panama, Langley, Virginia, and Teheran. Richly spiced with detail from the author's 30 years sailing, building, and repairing ships worldwide, it is, in the words of one reviewer, "fast-paced, multilayered and gripping."

Deadly Coast (Book 2)

Tom Dugan has barely put his life back together and started to enjoy his newly formed business partnership with Alex Kairouz, when one of their ships is captured by murderous Somali pirates.

When a possible link between piracy and terrorism comes in to play, the US and British governments halt all negotiations for captives, and a frustrated Dugan defies the authorities to take matters into his own hands. But his cobbled together rescue operation stumbles across something far more sinister than piracy — a rogue salvage operation for a long lost weapon of mass destruction. Dugan and his hastily assembled little band of volunteers find themselves the last line of defense between the world and a terrifying bio-weapon.

Weaving historical fact with speculative fiction, *Deadly Coast* takes the reader from London board rooms into the very real world of modern day pirates — and their victims.

Deadly Crossing (Book 3)

Six months have passed, and back home once more, life is good for Tom Dugan by any measure as he rolls through the London night, the woman he loves in the taxi beside him. Then his phone rings, alerting him to the arrival of two old Russian friends with a very big problem.

Dugan's attempts to help his friends rescue an innocent girl from the Russian mob plunge him into a world he'd scarcely imagined, endangering him and everyone he holds dear. A world of modern day slavery and unspeakable cruelty, from which no one will escape, unless Dugan can weather a *Deadly Crossing*.
