Jeroboam's Wife: The Enduring Contributions of the Old Testament's Least-Known Women Robin Gallaher Branch

Much has been written about prominent women of biblical history like Sarah, Ruth, and Esther. However, relatively little attention has been paid to the obscure women of the Old Testament whose words are not recorded in the Bible and some of whom aren't even named. Yet often these less prominent women played important roles in shaping the unfolding of God's plan. Indeed, the appearance of such obscure women sometimes signals the emergence of some great event. More than that, these lesserknown women, frequently faced with seemingly impossible circumstances, modeled unflinching integrity and moral courage. In *Jeroboam's Wife*, Robin Gallaher Branch introduces us to seven of these obscure yet notable biblical women. By examining their historical and cultural settings with scholarly care and penetrating insight, she brings these women out of their obscurity and highlights both their unique challenges and their indelible contributions. By interacting with contemporary biblical, social, and psychological scholarship, she presents ancient biblical history in fresh and relevant ways. Thoughtful questions for personal reflection or group discussion guide contemporary readers to ponder the deeper significance of these women's contributions and to reflect on points of personal application.

Then you have problem with the book when compared with can satisfy your short period of time to read it because all this time you only find guide that need more time to be read. Jeroboam's Wife: The Enduring Contributions of the Old Testament's Least-Known Women can be your answer since it can be read by you who have those short extra time problems.

Allen Lutz:

As a university student exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Jeroboam's Wife: The Enduring Contributions of the Old Testament's Least-Known Women can make you sense more interested to read.
