**Silenced: A Novel (The Fredrika Bergman Series)** Kristina Ohlsson

From “one of Sweden’s best” (*Los Angeles Times Magazine*) comes the third installment in the psychological thriller series featuring the savvy, sharp, and fearless investigative analyst Fredrika Bergman.

Fifteen years ago: A teenage girl is viciously assaulted as she picks flowers in a field one night in midsummer. The crime is never reported.

Present day: A man with no identification is killed in a hit-and-run. He is never reported missing. Across the city, a priest and his wife are found dead in an apparent suicide.

Fredrika Bergman is assigned to the case. What she and her colleagues discover is that a sinister evil, the roots of which date back decades, is the link behind these seemingly unrelated crimes. There’s a reason why none of them were ever reported, and it has to do with a shocking and horrendous cover-up unlike anything Fredrika could have possibly imagined.

Skillfully crafted and highly suspenseful, *Silenced* is a gripping thriller in which the consequences of past tragedies continue to haunt the present, reaching further and deeper than anyone ever expected.

#### **Ernestine Pagan:**

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we

know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Silenced: A Novel (The Fredrika Bergman Series) can make you experience more interested to read.
