Liberty or Tyranny, book 5 of John Grit's Apocalypse Law Series, finds Nate, Brian, Deni, and friends continuing their struggle to survive in a lawless post-apocalyptic land. Nate reluctantly acts as temporary sheriff, and the people of the community work together to fight hunger and the remaining violent criminals. While investigating the murder of Chesty, they uncover a conspiracy that draws the attention of powerful men in Washington and soon find themselves hunted fugitives.

Colonel Donovan does what he can to stand between the people and a weakened government that has been hijacked by wealthy men willing to do anything to consolidate power and rule post-plague America. Even if America survives as a nation, will it be under liberty or tyranny?
