## **Essentials of Corporate Finance (The McGraw-Hill/Irwin Series in Finance, Insurance, and Real Estate)** Stephen A. Ross, Randolph W. Westerfield, Bradford D. Jordan

Essentials of Corporate Finance, 7th edition by Ross, Westerfield, and Jordan is written to convey the most important concepts and principles of corporate finance at a level that is approachable for a wide audience. The authors retain their modern approach to finance, but have distilled the subject down to the essential topics in 18 chapters. They believe that understanding the “why” is just as important, if not more so, than understanding the “how,” especially in an introductory course. Three basic themes emerge as their central focus:

1. An emphasis on intuition&#8211;separate and explain the principles at work on a common sense, intuitive level before launching into specifics. Underlying ideas are discussed first in general terms, then followed by specific examples that illustrate in more concrete terms how a financial manager might proceed in a given situation.
2. A unified valuation approach&#8211;Net Present Value is treated as the basic concept underlying corporate finance. Every subject the authors cover is firmly rooted in valuation, and care is taken to explain how decisions have valuation effects.
3. A managerial focus&#8211;Students learn that financial management concerns management. The role of financial manager as decision maker is emphasised and they stress the need for managerial input and judgment.

**Janice Burgess:**

Why? Because this Essentials of Corporate Finance (The McGraw-Hill/Irwin Series in Finance, Insurance, and Real Estate) is an unordinary book that the inside of the publication waiting for you to snap it but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who write the book in such remarkable way makes the content on the inside easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of rewards than the other book possess such as help improving your talent and your critical thinking means. So , still want to postpone having that book? If I ended up you I will go to the e-book store hurriedly.

**Christopher McCormick:**

As a scholar exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's soul or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but

nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Essentials of Corporate Finance (The McGraw-Hill/Irwin Series in Finance, Insurance, and Real Estate) can make you sense more interested to read.
