Community Research for Participation: From Theory to Method

Community Research for Participation: From Theory to Method

This book bridges a major gap in knowledge by considering, through a range of reflexive chapters written from different disciplinary backgrounds, both theoretical and practical issues relating to community research methodologies. Presenting the latest thinking in the field, the book will be invaluable to students, researchers, academics and practitioners that aim to place community members at the centre of their research. This collection will also stimulate thinking about how methodological advancement can be made in the field.
