This book, Art of Mackin', takes a fun, yet serious look at modern male/female relationships from an urban point of view. Currently, there are many relationship books geared towards women, (...The Rules...How to Marry a Man, etc.), that teach women how to subtly manipulate men into relationships....The Art of Mackin is the first how- to book that teaches men how to actually become players and macks, and how to use pimp game as a form of manipulation (not deceit) in order to get what they want from women. Whether its sex, money or companionship, this book teaches men what to say, verbatim, in order to reach their intended goal. This edition of The Art Of Mackin contains more "game" and also photos that weren't featured in the original book.
