## **Get Better Men** Craig Nairbe

Craig Nairbe is an expert in his own right and in the field of dating; he's nearly a professional expert and life coach as well. His honesty and to-the-point approaches to offer advice in various areas of dating and life are monumentally inspiring and this book will likely affect each reader differently because of it.

The book begins with basic foundations and from there, Craig takes readers through each of the steps in his book, allowing the audience to take as much time as they need to advance themselves and at their own pace. The idea is to let the readers take in the material, practice the steps, and build upon each in order to fully engage in the act of dating and meeting better men.

As the book comes to a close, dating, healthy living, resistance, value, and self-respect, have all been discussed and covered. with the publication of this book. His efforts to help women, (and men), understand the opposite sex as well as themselves, is enlightening and brilliant.
