**Principles of Asymmetrical Warfare: How to Beat Islamofascists at Their Own Game** Robert Uda  
Principles of Asymmetrical Warfare: How to Beat Islamofascists at Their Own Game provides principles, strategies, tactics, and methods available to the Administration in winning and ending the wars in Afghanistan and Iraq and the War on Terrorism. Some strategies and tactics appear extreme to a civilized country as the United States. However, we should know about and understand these strategies and tactics in case we must use them because the Islamofascists are about to annihilate, conquer, or place us in bondage. I have quoted ideas from Sun Tzu, Gen. George S. Patton, Jr., and Dr. Michael Savage, a man of great intellect. Our Administration has made a major mistake by not learning from great warriors like Sun Tzu and Gen. Patton. Our Administration makes an even larger mistake by ignoring Michael Savage's thoughts, ideas, and suggestions. Many ideas are common sense, which seems to be lacking in our politicians, Administration, and military generals. Apparently, they do not know how to fight and win an asymmetrical war. "Principles of Asymmetrical Warfare" provides fresh ideas on fighting the Islamofascists and winning. Therefore, if you desire to know how to beat the Islamofascists at their own game, read Principles of Asymmetrical Warfare.
