The Bookman's Tale: A Novel of Obsession Charlie Lovett

A mysterious portrait ignites an antiquarian bookseller's search through time and the works of Shakespeare for his lost love

Guaranteed to capture the hearts of everyone who truly loves books, *The Bookman's Tale* is a former bookseller's sparkling novel and a delightful exploration of one of literature's most tantalizing mysteries with echoes of *Shadow of the Wind* and A.S. Byatt's *Possession*.

Nine months after the death of his beloved wife Amanda left him shattered, Peter Byerly, a young antiquarian bookseller, relocates from North Carolina to the English countryside, hoping to outrun his grief and rediscover the joy he once took in collecting and restoring rare books. But upon opening an eighteenth-century study of Shakespeare forgeries, he discovers a Victorian watercolor of a woman who bears an uncanny resemblance to Amanda.

Peter becomes obsessed with learning the picture's origins and braves a host of dangers to follow a trail of clues back across the centuries—all the way to Shakespeare's time and a priceless literary artifact that could prove, once and for all, the truth about the Bard's real identity.

The Further Adventures of Ebenezer Scrooge by Charlie Lovett is coming from Viking Books on **October 18, 2015**
