Hippie (Spanish Edition) Barry Miles

The second half of the 1960s was a time of constant changes and tireless exploration for the generation born after World War II. A great exchange of ideas occurred that would have a great impact on the politics, morals, philosophy, and customs of the time, and on those of generations to come. This book is a tribute to the hippie movement and an enlightening study of the consequences those multidisciplinary initiatives would have on that generation and those to come. In addition to the chronicle of one of the key figures of the movement, author Barry Miles, other distinguished activists of the time contribute to this book. This is an illustrated and psychedelic panoramic view of that which transpired between the years 1965 and 1971, and of what came afterward.

La segunda mitad de la década de los sesenta fue una época de cambios constantes y de infatigable exploración para la generación nacida después de la Segunda Guerra Mundial. Se produjo un gran intercambio de ideas que iban a tener una incidencia notable en la política, la moral, la filosofía y las costumbres de la época, y en las de las generaciones venideras. Este libro es un tributo a dicho movimiento y un alumbrador estudio de las consecuencias que esas iniciativas multidisciplinares iban a tener en aquella generación y en las venideras. Junto a la crónica de una las figuras clave del movimiento, el autor Barry Miles, se presentan las contribuciones de los activistas más destacados de la época. Es una panorámica ilustrada y psicodélica de cuanto transcurrió entre los años 1965 y 1971, y de todo lo que sucedió en adelante.
