Navy Seal Alphas: Wolf

Rachel Real

Navy Seal Alphas: Wolf Rachel Real

Thirty-something single mom Gracie Gilbert has given up on love. She works a dead end job as a waitress in the city of New York. When a flood of sailors visit the city by the boatload for Fleet Week, one hunky werewolf catches her eye. Chase Stratton is a dark and dangerous **Navy SEAL** looking for a hot night with no strings attached, but after having a taste of Gracie--**he hungers for much more!**

Can Gracie let down her guard and let Chase in?

This is a quickie read and a **HEA Romance**.

It takes place in the larger world of the Navy Seal Alphas Series, but **is complete and can be read as a standalone**.

Steamy scenes ahead! This novella has hot passionate alpha sex scenes. If curvy gals gettin' their groove on with shifters aren't your cuppa tea, pass this one up. But if you like big girls and brawny heroes--enjoy!

From reader reviews:

Yvonne Terrell:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, what the best subject for that? Only you can be answered for that problem above. Every person has diverse personality and hobby per other. Don't to be obligated someone or something that they don't would like do that. You must know how great as well as important the book Navy Seal Alphas: Wolf. All type of book is it possible to see on many resources. You can look for the internet methods or other social media.

Jennifer Trojanowski:

Information is provisions for individuals to get better life, information today can get by anyone with everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is inside the former life are difficult to be find than now could be taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you have the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Navy Seal Alphas: Wolf as the daily resource information.

Todd Robinson:

Reading a book to get new life style in this yr; every people loves to learn a book. When you examine a book you can get a wide range of benefit. When you read ebooks, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you want to get information about your review, you can read education books, but if you act like you want to entertain yourself read a fiction books, this sort of us novel, comics, as well as soon. The Navy Seal Alphas: Wolf offer you a new experience in studying a book.

Brenda Moulton:

Many people spending their period by playing outside using friends, fun activity along with family or just watching TV all day every day. You can have new activity to enjoy your whole day by studying a book. Ugh, think reading a book can really hard because you have to use the book everywhere? It all right you can have the e-book, getting everywhere you want in your Touch screen phone. Like Navy Seal Alphas: Wolf which is finding the e-book version. So , try out this book? Let's observe.
