## SmartBook for Teachers, Schools, and Society: A Brief Introduction to Education

The fourth edition of *Teachers, Schools, and Society: A Brief Introduction to Education* encourages instructional creativity while providing practical teaching ideas for both new and experienced instructors. The authors' lively writing style captures the joys and challenges of teaching. The text stresses the importance of fairness and justice in school and society, focuses on today's crucial topics, and integrates today's challenges to the nation's schools. The fourth edition is now available online with **Connect**, McGraw-Hill Education's integrated assignment and assessment platform, which includes **SmartBook**, the first and only adaptive reading experience designed to change the way students read and learn.

**SmartBook** is the first and only adaptive reading experience available for the higher education market. Powered by the intelligent and adaptive LearnSmart engine, SmartBook facilitates the reading process by identifying what content a student knows and doesn't know. As a student reads *Principles of Athletic Training*, the material continuously adapts to ensure the student is focused on the content he or she needs the most to close specific knowledge gaps.
