The latest installment of the Sin City Heat Series finds Darrell Monroe's life in a tailspin that he is not sure he can turn around. Darrell has had his share of difficult times in life, but he never used that as an excuse to throw a pity party. He prides himself in evolving from the person he used to be into a man he can be proud to look at in the mirror. Not only is he wildly successful, he loves his wife with everything in him. They've had their share of ups and downs, but the good far outweigh the bad.

However, just when things finally get on an even keel, he makes a foolish decision that threatens to ruin his marriage and destroy his family. In the midst of that storm, spirals another hit that almost brings him to his knees. Will the tragedy casting an ominous cloud over his once perfect world totally eclipse the life he's worked so hard to build?
