**Hammer of the Gods: The Battle of the Bulge (SS Wotan)** Leo Kessler

This Is The Ultimate Kessler Novel.

December 1944. The strength of Germany is faltering in the face of the Allied War Machine. But for SS Wotan there is one last ditch attempt to force the Allies back, and it will take place in the Ardennes. This is The Battle of the Bulge, and perhaps the most dangerous mission Schulze, Matz, and the indomitable von Dodenburg have ever faced. Can Wotan survive the Hammer of the Gods?

Hammer of the Gods is an SS Wotan novel, set in December 1944. Leo Kessler is the pseudonym of prolific WW2 author and historian Charles Whiting. Whiting uses his deep knowledge of the Second World War as the basis of the Kessler novels. In this epic, readers can see likenesses to real world events and the SS field officer Jochen Peiper. Over three million Whiting books have been sold worldwide. If you've enjoyed Sven Hassel or Eric Meyer, sample some tongue-in-cheek war action courtesy of Leo Kessler.
