The R. Crumb Coffee Table Art Book R. Crumb

R. Crumb's Zap Comix launched the underground comic book back in 1968, and his signature characters--Keep on Truckin', Fritz the Cat, Mr. Natural--went on to become instantly recognizable icons of the hippie era. Now for the first time, Crumb has collected the best of his work in a lavish hardcover volume that everyone interested in pop culture over the last half century will want to own. Illustrations throughout, many in color.
