William Appleman Williams

The roots of the modern American empire;; A study of the growth and shaping of social consciousness in a marketplace society William Appleman Williams

In this book, the author offers an analysis of the ways in which this nation's expansionist thrust between 1865 and 1901 led to the creation of an American empire in the twentieth century. This is an account of how the marketplace social consciousness of the Americans generated an increasingly urgent sense of necessity to expand their economic and political influence in order to insure prosperity and freedom at home.
