Rosa Mariana Brea Franco

El duelo: un camino hacia la transformación Rosa Mariana Brea Franco

El auditorio de la Universidad Católica de Santo Domingo sirvió de escenario recientemente para la puesta en circulación de la nueva edición del libro "El duelo, un camino hacia la transformación", de la reconocida psicóloga clínica Rosa Mariana Brea Franco, especialista en crisis y pérdidas. El libro aborda aspectos básicos sobre las distintas situaciones por las que el hombre de hoy atraviesa, tocados de manera clara y sencilla pero con estricto rigor científico, los que, a juicio de la autora serán de gran provecho para sus lectores. Brea Franco analiza en este material los duelos más significativos por los que el ser humano, de una u otra forma, se ve involucrado como: la muerte de un ser querido, el suicidio y las pérdidas de seres amados en circunstancias difíciles.
