“Almost ten inches long and hard as a rock...”

It's no longer surprising when men fool around. They're polygamous by nature because of varying testosterone levels, primeval instinct, they've been hit by lightning and forget their partners...the list goes on and when the going gets tough, there's only one thing to it: they're MEN. But what if it's the other way around? Who will win? Just Plain Bob heats it up again with seven hot erotica short stories in one book...

Windows

Why do women always go to the bathroom together? Rob finds out why...because they love to gossip. One day, Rob spies on his wife and the other girls gossiping in the bathroom. They were talking about a wife cheating on her husband named Rob. The problem is, there are only two Robs in the party...he is one of them.

Coatrooms

Nan loves to dance so much that she's never off the dance floor in parties. Rob, on the other hand, is only a bystander as his wife dances with every guy except him. He's content at just taking pictures and watching Nan. But as soon as Rob takes his eyes off her, Nan is gone. Coincidentally, he overhears a bevy of women gossiping about a photographer too busy taking pictures to notice that his wife is cheating on him.

Card Night

His wife, Candy, invites the new couple in town, Joe and Fran, over to their table at lunch. It's her way of teasing him as she caught him staring at Fran's chest way too often. But he soon realizes that staring is harmless, after all, his colleague's brother-in-law is having an affair...

Does It Rub Off

Tasha's the new employee in an all-male department. A lot of eyebrows are being raised at her not only because someone else deserves her position but also because she's female...and black. Her manager and the rest of the workforce believe that she can't do the job. After all, she has no resume to her back-up. It's up to Tasha to prove them all wrong...or right.

All's Well That Ends Well

Chuck not only hires Hillary as his secretary but marries her as well. She has the body of a goddess and the face of an angel. Thankfully, she's also adept at what she does, working for Chuck in his business firm. In other words, every inch of her is an asset to Chuck, who has become devoted to her. "Love is blind," they say, but when reality strikes, it flies off the window...

Lotion And A Dozen Condoms

After twenty-five years of marriage, he takes his wife, Ashley, for granted. Now that their kids are having a

life of their own, he prefers to hang out with friends and go hunting; while his wife decides to go back to work just to have something to occupy herself with. He doesn't notice how gorgeous Ashley still is for her age, or the subtle changes in her that will make him regret neglecting her...

What To Do With A Drunken Sailor

Kate's in trouble. She gets drunk at a friend's party, too drunk to even know what she's doing. When she's like this, her husband is supposed to fetch her, but he's on a trip, so she's at the mercy of those around her. Then she receives threats from someone who knows what happened at the party. That someone has enough proof to ruin her...and her marriage.
