The critically acclaimed *Chinatown* marks Powell's first self-contained graphic novel, which chronicles the misadventures of Goon and his wisecracking sidekick, Franky. When a mysterious new figure enters the crime scene and begins taking out the Goon's business operations one by one, the Goon struggles to keep the city's organized crime under his control as his mind is haunted by the memories of his darkest moment... when his mind and body were left scarred... and his heart was left black.
